## **MEDICAL EXAMINATION REPORT**

**UNFIT**

Date: 04<sup>th</sup> Nov 2025

### **To Whom It May Concern**

This is to certify that **Mr. Samundra Chaulagain**, 24 years old, has undergone a complete medical evaluation at **Subham Poly Clinic and Diagnosis Center Pvt. Ltd.** on 04/11/2025 for pre-employment medical screening.

Based on general, systemic, radiological, and laboratory assessments, the clinical impression indicates abnormalities including an abnormal chest radiograph and findings suggestive of a communicable condition requiring further management. He is therefore considered clinically unfit at present.

He is advised to undergo appropriate medical treatment, avoid strenuous activity, and take a minimum of **25 days of rest** or until full recovery.

Your consideration in granting medical leave for the mentioned period will be appreciated.
